Founder's Message

"Education and healthcare are the pillars of a strong nation. With this belief, our society was formed to uplift underserved communities providing access to both. Uttarakhand Dental and Medical Research Institute (UDMRI) is a product of that vision."

Mr. V.S. Pandey
Founder Chairman & Managing Director

About UDMRI

Located in the capital city of Uttarakhand, Uttarakhand Dental and Medical Research Institute is a premier institution offering BDS and MDS programs since 2006. Backed by over 19 years of academic excellence, UDMRI is approved by the Dental Council of India (DCI) and the Ministry of Health & Family Welfare, and is affiliated with HNB Uttarakhand Medical Education Society. Spread over a 30-acre modern campus, UDMRI features a 100-bed on-campus teaching hospital, a well-stocked library, smart and air conditioned classrooms, and advanced and modern laboratories. With a faculty of over 120+ qualified professionals, the institute ensures each student receives quality education and hands-on clinical training in a supportive environment.

Eligibility Criteria

To apply for BDS or MDS at UDMRI, candidates must meet the following requirements:

For BDS (Bachelor of Dental Surgery)

Campus & Student Facilities

At UDMRI, we believe that a strong academic foundation should be complemented with world-class infrastructure and a student-friendly environment. That's why we provide:

- On-Campus 100-Bed Teaching Hospital.
- Library & Digital Resource Centre.
- Separate Hostels for Boys & Girls.
- Sports & Recreation.
- Cafeteria.
- Labs & Simulation Clinics.
- Smart Classrooms.

Events & Campus Life

At UDMRI, learning goes beyond classrooms. Our students participate in a wide range of academic, cultural, and community-based activities throughout the year, including

- Guest lectures by industry experts
- Workshops, CDE programs & hands-on training.
- Research presentations & paper publications
- Annual fest.
- Fresher's party & farewell ceremony.
- Free dental & health check-up camps in rural areas.
- Awareness drives for oral hygiene & general health.
